

# ONE WORLD IS TREASON

rule on earth — but look for the Kingdom of God in hearts of saved men and women.

And again, the Holy Spirit tells us through Paul in I Cor. 15:20, that "Flesh and blood cannot inherit the Kingdom of God." A body of flesh and blood would be suitable to inherit the earthly kingdom of of millennialism, but to inherit the final glory of God's true kingdom, we must have a Spiritual body. This body of flesh and blood must be changed into one that is suitable to inherit the Kingdom of Glory, and we are told (Phil. 3:21) that when we are changed, our bodies will be like unto the glorious body of Jesus Christ.

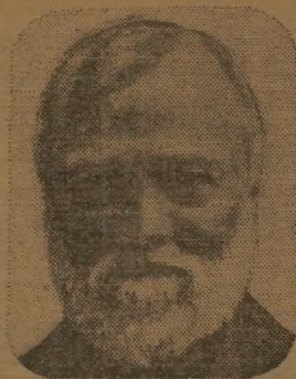

And yet again, "For the Kingdom of God is not meat and drink; but righteousness, and peace, and joy in the Holy Ghost." (Ro. 14:17). It does not consist in the gratification of sensual passions, or worldly ambition. But the righteousness and peace, and joy in the Holy Ghost — all within the heart of man and not visible. And the moment we believe in Christ, God invisibly translates us into the Kingdom of His dear Son, (Col. 1:13), and we remain there until His coming again at the end of the world and the final judgment, IF we remain faithful and obedient unto His word. It is **CONDITIONAL**, depending upon our obedience, just as in the Old Testament. For God Who knows what true righteousness is, says through Ezek. 18:26: "When a righteous man turneth away from his righteousness, and committeth iniquity, and dieth in them; for his iniquity that he hath done shall he die." To die means eternal separation from God.

There is no place in scripture where it says that Christ will ever set foot on this earth again, much less reign from a worldly political kingdom for a thousand years. But He WILL come again, according to his promise: "I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto Myself; that where I am, there ye may be also" (John 14). Christ said He will come again and "receive" us—not reign on earth. Paul tells us in I Thes. 4:17, that we shall "meet Him in the air," but neither Christ nor Paul say a thing to indicate that Christ will ever set foot on this earth again, nor is it found any place else in the Bible.

If our minds are saturated with Scofield Dispensational millennial theories, it may take some time for the simplicity of God's truth to penetrate, but there are spiritual blessings awaiting those who will compare these false doctrines with Bible truth. Many of us have been blessed by chapters 4 through 11 in **GOD'S PROPHETIC WORD**, by the Rev. Foy E. Wallace Jr., and although we may not necessarily agree with all of his teachings we do recommend this section of his book to anyone who wants to further his knowledge in Bible truth, as he forcefully brings to your attention the glaring errors of millennialism which has permeated professing Christianity.

Mr. Wallace says that the prophecies concerning fleshly Israel are history — they have been fulfilled in the events and experiences of the past. He says there are three sections to the Old Testament promises and prophecies: the land promise to Abraham and his seed after him; the restoration promise to Israel; and the spiritual promise to all nations. The land promise to Abraham was fulfilled in Joshua 21:43,45; 23:13, 14; the restoration promise was fulfilled in the decree of Cyrus . . . II Chron. 36: 22, 23 and Ezra 1:1-4; and the Spiritual promise to all nations was fulfilled in Jesus Christ, as set forth in Gal. 3:26-29.

Although millennial preachers declare the recent return of the Jews to Palestine to be fulfillment of Bible prophecy, Scripture says the nation of Israel could never be restored again. Their nation ended forever at the destruction in 70 A.D. Moses said they would perish, Deut. 30:17,18; Joshua said they would lose their inheritance for lack of obedience to God Joshua 23:12-16; and

ANDREW CARNEGIE, philanthropist who stated in an article written in 1904: "... Canada's destiny is to annex the Republic (mean-U.S.A. Ed.) as Scotland did England and then taking the hand of the rebellious big brother (U.S.A.) and that of the mother (Britain) place them in each other's grasp thus reuniting the happy family that never should have known separation." (Don Bell, 3-12-65).

Jeremiah said they could not be restored, but were to be a broken vessel, never to be made whole again — Jer. 19:1-12.

Moses positively declared that the nation of Israel would perish: "as the nations which the Lord destroyeth before your face, so shall ye perish." (Deut. 8:20). Moses told them in Deut. 28, 29, 30 that their dispersion would be permanent — a final dispersion; scattered, yet not consumed. Jeremiah 5:18 says "I will not make a full end with you" — that is their nation would perish but some of their people would survive. If their nation shall be restored in the end, then God did not make any end of them at all. But when their nation perished in 70 A.D., it was the end of their nation, because it perished permanently —but it was not a "full end" of the Jews for though the nation perished, some of the Jews survived. Some of them had to survive to fulfill the prophecy of Isaiah 65:15: "ye shall leave your name for a curse unto my chosen." And although the few that survived were actually Pharisees, they must call themselves Jews in order to fulfill this prophecy. That the kingdom of God on earth, millennial religion of the Jews can be taught in our churches as Christianity, is indeed, a curse to God's chosen.

We have so far discussed the religious side of British Israel Phariseism, but the British Israel has two sides — the political and the religious. The political arm maneuvers world events to fit their scheme and the preachers of the Spiritual arm explain it all as Bible prophecy being fulfilled. They work simultaneously toward placing the world under British control, but their power is through the **Spiritual Arm**, and this is the **REAL PLOT** to gain their ends. The power is through control of man's spirit — which is his beliefs — and it is "Mind Control." If mankind can be made to believe that the sufferings predicted for us by the Prophets of Doom is according to God's word, their scheme cannot fail for the brainwashed people will cooperate to the bitter end, no matter how much suffering and death may be called for along the way. This is the Spiritual power of Pharisee British Israel. The people who are under the influence of this "Mind Control" cannot free themselves from it until they know about it. And only God's truth from the lips of His chosen people can free them.

To recapitulate: Masonry and British Israel originate and are controlled from the same source — the British Empire; they are of one spirit and have one purpose, and they work together in complete harmony toward a **ONE WORLD Superstate** — the Kingdom of God on Earth. British Israel Judeo-Christianity is the spirit of this revolution; the British Empire is its body and structure; Masonry is its servants working into every facet of political, military, and religious—and the blueprint for world conquest is a scheme of Bible Prophecy which seeks to justify mass murder in the world as it enacts its prophecies on the way to its Kingdom of God on Earth **ONE WORLD Government**.

We are told by the British Israel pro-se-lyte preachers that God's punishment to cleanse us for rulership in the Kingdom

age, is to come upon us through **RUSSIAN Communism**. The "Great Tribulation" of Matt. 24:21, was preceded by "wars and rumours of wars" and is already past. But the British Israel Prophets of Doom say it is still future, and so for years now we have had "wars and rumours of wars" supposedly caused by that bad old Russian Communism, which they say is scripture being fulfilled, and they tell us the "Great Tribulation" is soon to come.

Matthew 24:3-34, which includes verse 6 on "wars and rumours of wars" describes events preceding the destruction of Jerusalem and the excision of the Jewish nation from the Kingdom in 70 A.D. — when Christ CAME in Judgment of the disobedient Jews. The warning sign to the Christians to flee to the mountain is in verses 15, 16 which Luke 21:20,21 says also but more clearly; and the Christians did flee in obedience to the words of Jesus, and the First Section of Matthew 24 was fulfilled. Verse 36 begins the subject of the Second Coming of Christ and the final judgment of mankind. This is the content of Matt. 24:36 to 25:46, according to the Rev. J. Marcellus Kik and others. No sign shall be given for the Second Coming of Christ at the end of the world. The "fleeing" of the First Section of Matt. 24 is in contrast to the being "taken" of the Second Section. "Watch therefore: for ye know not what hour your Lord doth come." (Matt. 24:42).

Phariseism has another angle: In addition to following their so-called Bible prophecy, they also follow "the great and infallible prophets" of the Great Pyramid Gizeh, of Egypt, which are confirmed by the Bible, they say. The Great Pyramid most positively teaches that "Uncle Sam" and "John Bull" are to be the Saviour-Nations of Civilization! Hand in hand, the two hearts beating as one . . . until the end of time.

If you wish to know where all our anti-pollution laws are coming from, consider the Great Gizeh who says "The final woe will begin August 20, 1953. That will be a period during which the whole earth is to be 'cleansed of its pollutions,' and which will prepare the people of the earth for the actual beginning of Christ's Millennial Rule 'the Thousand Years of Peace,' by **not later than September 17, 2001.**" (Page 9 British Israel World Federation).

The great Pyramid gave the message and exact date when Russia would begin to destroy Christianity and nationalism — the date when "the Bolshevik state should begin to operate as one of the major powers of moral decline and physical aggression in what is portrayed as the mystical crucifixion of the 'body politic' of Christian civilization — this 'body politic' consisting of two elements, 'Church and State' (both collectively) in the British Empire and the United States of America. The date of this turning point in history is defined as 18th January, A.D. 1918, the day upon which, in the words of THE TIMES, report (19th Jan. 1918) "... 'Bolshevik autocracy became supreme by dissolving the Russian Constituent Assembly,' after demanding a Republic of Soviets." (Page 13, British Israel World Federation).

Since the British Pharisees themselves originate these deceptions, it is they who will bring them to completion — they will never let old Gizeh down. So when they got the Great Pyramid's message and exact date that Russia was to begin to crucify the Church and State in America and Britain, they called together some of the British Agents of the devil, plus a few of the New York City Agents of the Devil, and went over to Russia with their money bags (they own it all) and secretly took over the Russian Government, and proceeded to fulfill the message of Gizeh in beginning the crucifixion of the "body politic" — Christianity and nationalism.

After slaughtering the fine Christian people of Russia, including the rulers, the agents of the devil then set up Political Communism, using Russia as a Decoy. From this secret position they have been
